September

Important News

Please sign up for Class Dojo if you have not done so already! It is imperative that we have all parents connected to receive important updates and communication from myself and other teachers. I will also frequently post pictures to our Class Story to share what our class is doing and learning. Let me know if you need another sign-up code, and I will send it home in your child's BEE Binder!

Also, please remember that all transportation changes need to be made through the front office by 3:00 PM. The latest time a student can be checked out in the office during the school day is 3:15 PM.

If you are sending money to school for your child, please place a note along with the money in your child's money pouch explaining what the money is for. Thank you!

Classroom Needs

Healthy snacks

Our Learning

During our first few days of school, we talked about how we felt on our first day of kindergarten, shared what we want to learn and do in kindergarten, and learned the routines of the classroom. After reading *Chrysanthemum*, we discussed the number of letters in our name, reviewed the difference between capital and lowercase letters, and compared our names to others' in the classroom. We had so much fun during our first round of literacy centers! These centers will evolve as the year progresses, but target different elements of literacy such as the Daily Five, word work, and digital learning. This week, we will be diving more into what it means to be a STAR (Show self-control, Take responsibility, Act safely, Respect yourself and others) student and what that looks like in our classroom and school.

Important Dates

September 14th - Open House, 5:00-6:00 PM
September 21st - Teacher Workday
